The screenshot displays a three-step process for setting up a campaign:

- 1 About the cause**: Details of who you'll be fundraising for
- 2 Campaign Options**: Fundraising alone or with a team?
- 3 Build your campaign**: Select a type, a goal and more

The current step is "Select a region to support". It features a search bar with "Georgia" entered, and three tabs: "All", "United States", and "International". A "Georgia" tag is visible below the search bar. A "select" button is at the bottom right. To the right, a "Your Campaign" section shows "Cause: Make-A-Wish" with a star icon.

Step 5: For “Campaign Options”, select Individual unless there is a team you plan to fundraise with.

Step 6: Name your campaign.

Step 7: Link your campaign to your streaming platform of choice.

Step 8: Complete other details (goal, timeframe, etc.) and start your campaign!
