

Participant Policy

Our Participant Policy includes the following:

- The Wish Child themselves
- 2 Adults (ex. Both biological parents, one bio parent and one step-parent, one parent and one older sibling, etc.)
- Any Siblings under the age of 18 who live with the Wish Child at least 50% of the time

If a Wish Child has no siblings under the age of 18, then the Participant Policy becomes this:

- Wish Participants are limited to 4 people, including the Wish Child themselves and at least 2 adults.

Note:

- The Participant Policy excludes extended family (i.e. grandparents, cousins, etc.) UNLESS they can fit into the above criteria OR the Wish Child chooses to include them *in place of* an automatically approved participant.
