A Wish for Every Nebraska Child

Each year hundreds of children are diagnosed with life-threatening medical conditions. In an instant, lives are forever changed. Carefree days spent laughing with friends are put on hold as children are catapulted into a strange and unfamiliar world filled with doctor's appointments, countless tests and great uncertainty.

Each and every one of these children deserves a wish. They deserve a chance to be a child and put aside the harsh realities of their life-threatening diagnosis. Together we provide these children and their families with a much-needed dose of hope, strength and joy. Experience the joy of helping others during their time of greatest need by becoming an Adopt-A-Wish partner.
