

Wave Your Wand With Us!

To build your wand:

1. Print the wand template single sided
2. Color/decorate the wand pieces
3. Cut out the wand body and stars
4. Roll the wand body into a tube and secure with tape or glue
5. Trim both ends of the wand body so it is straight
6. Sandwiching the wand body, glue the two stars together on the end of the wand
7. Add additional decorations to your wand, glitter, ribbons, etc. (optional)

To share your wand:

1. Take a picture of yourself with your wand
2. Post on Twitter or Facebook using
#waveyourwand
3. We will share photos during event!
