

WISH EXPERIENCES CAN TRANSFORM LIVES

Wishes have proven physical and emotional benefits that can give kids with critical illnesses a higher chance of survival. And wishes not only help these children—they also have far-reaching, positive impacts on their families and communities.

Your support of the Kids For Wish Kids® program will bring Make-A-Wish Alaska and Washington one step closer to the goal of fulfilling the wish of every eligible child.

KIDS FOR WISH KIDS CAN TRANSFORM YOUR SCHOOL COMMUNITY

Kids For Wish Kids puts students in charge. Teachers often serve as advisors, but ownership of the project belongs solely to the students involved. This helps create a better understanding of:

- The value of community service
- Volunteerism
- Leadership skills
- Entrepreneurship
- Money management
- School spirit
- Teamwork
