

Sharing Photos and Videos

There are a few ways you can easily share photos and videos with us:

- **Email:** attach your photos to an email and send to Brittany at bdidonato@metrony.wish.org
- **Text:** send your photos to _____.

When sending photos and videos, please:

- **Include** –
 - Child's name
 - Child's wish
 - Any messages you'd like to share
- **Send full-sized photos** – if you're using an Apple device, please select "Actual Size" to send the highest-quality photo.

Frequently Asked Questions:

Q: *What if my files are too large to be sent via email?*

A: Don't worry! You can still text your photos/videos to us, or you can submit them to our Dropbox. Just contact Brittany at bdidonato@metrony.wish.org and she'll be more than happy to help!

Q: *Do I have to send my photos and videos?*

A: Sharing your photos and videos with us is **completely optional**. That being said, we really appreciate anything you'd like to share – we love seeing them!

Q: *Can I post my photos to social media myself, or do I have to send them to you?*

A: Yes! Unless your wish involves a celebrity*, feel free to post to your own social media accounts as your family experiences the wish. If you do post, please tag us! You can find our social accounts below, and we'd love to see and share your wish experience! However, we do still ask that if you're willing, you still send copies to us as well.

Here is where you can tag us (and follow us!):

**If your wish involves a celebrity, photographs/social media messages may not be permitted. Make-A-Wish can ask for permission for you to post after your wish. Please contact your wish coordinator for more information.*
