

## Want to Share Your Wish in Progress?

We love to experience the power of a wish right alongside you – you can help us by sharing your **Wish in Progress**! A Wish in Progress is a wish that we share on our social media channels as it happens, with posts of photos, videos, and brief messages every day of the wish. It helps our followers connect to the wish experience as they follow you on your journey, and become more engaged in the Make-A-Wish mission.

### Want to be a Wish in Progress?

Here's how you can be featured:

1. **Contact Brittany** at [bdidonato@metrony.wish.org](mailto:bdidonato@metrony.wish.org) – this way, we know you'd like to participate and we can expect your photos/video. Please let us know prior to the wish that you'd like to participate.
2. **Send us a photo or video every day** of your wish... or more! Feel free to send whatever you'd like – a short video clip of your child on a ride, a photo of them wiggling their toes in the sand, or even just a nice shot of your family having fun... the possibilities are endless. Treat us like your Instagram feed – whatever you'd like to share, we'd love to have!
3. **Include a brief description** of what you're doing, where you are, and how you're feeling on the wish.
4. **Text these** to us at \_\_\_\_\_, or email to Brittany at [bdidonato@metrony.wish.org](mailto:bdidonato@metrony.wish.org).
5. **Have fun!**
6. **Expect a phone call** from Brittany when you return so we can talk about your wish experience.

**Any questions?** Just contact Brittany at [bdidonato@metrony.wish.org](mailto:bdidonato@metrony.wish.org).

*\*Please note – celebrity wishes are not eligible for a Wish in Progress unless permission is granted prior to the wish.*
