

We have a special superhero wish story to share with you! When 13-year-old Ja'Bree, who suffers from a neurological condition, learned last spring that he was receiving a wish from Make-A-Wish, he remembered an encounter with a homeless person living on the streets in Philadelphia. Ja'Bree decided that his true wish was to be a superhero for the day and give out food and necessities to individuals living in poverty in Philadelphia.

Watch Ja'Bree's wish unfold and hear from our dedicated partners who made his wish come true.

We are committed to ensuring that every child gets to experience the hope and joy that a wish brings. With nearly 500 wishes waiting throughout our region, please consider a gift today. Every single dollar counts. We cannot do this important work without generous and dedicated donors like you.
