Do you have what it takes to wear the cape? Use your super powers to join Wish Heroes this April and help grant wishes for local kids who need your help. Wish Heroes is a virtual peer-to-peer fundraising campaign inviting individuals to raise a suggested minimum of \$1,000 for Make-A-Wish Philadelphia, Delaware & Susquehanna Valley. Wish Heroes share with their friends, family, and community why they are passionate about Make-A-Wish with an ask to donate to their fundraising page. Contact Emily Pauson for more details.
