

Wishes Can Continue to Come True!

While travel is not possible right now, there are many wishes that we can continue to grant – even amid all the uncertainty of the COVID-19 virus. While there have been disruptions to parts of the wish journey, we believe that we can continue to create life-changing experiences for many of our wish kids! Below is a list of wishes that Make-A-Wish® Metro New York and Western New York can proactively work on at this time. If a wish child is excited about any of these ideas, we are ready to get started and bring them joy.

Please note that the timing of wishes listed below is not guaranteed, but we are excited to move ahead in potential planning and granting of these wish types!
