

Rhett's Playset Wish

Wish kid Rhett loves playing outside. Due to his illness, it isn't safe for him to visit public parks. He wished for his very own playset that he can enjoy everyday! Click below to read more about Rhett's wish.

Partner Spotlight

April is National Volunteer Month, and we are celebrating by spotlighting volunteer Sherrie Davis. Sherrie has served as a Susquehanna Valley based wish granter since 1999 and she has hosted unique fundraising events benefiting our chapter. Click below to learn more about Sherrie's involvement with our chapter.

Young Professionals

We are launching a Young Professionals Program! This will be a diverse group of emerging leaders who serve as brand ambassadors in support of our mission granting life-changing wishes for kids with critical illnesses. As a member, you will enjoy opportunities to volunteer for Make-A-Wish, develop and grow leadership skills, and expand your personal network. The commitment will include an annual give/get monetary gift, attendance at monthly

meetings, and participation in Chapter events. Contact Emily Pauson if you are interested in joining.
