Partner Spotlight

The Creighton Family is our featured partner this month. Dimitri Creighton received his wish in 2013, and his family wanted to give back and help grant wishes for other children. They started a fundraiser in 2014 and have raised over \$246,000. Click below to learn more about the Creighton's involvement with our chapter.

Wish Heroes

There's still time to sign up to be a Wish Hero! Wish Heroes is a virtual peer-to-peer fundraising campaign inviting individuals to raise a suggested minimum of \$1,000 to help grant wishes. Wish Heroes share with their friends, family, and community why they are passionate about Make-A-Wish with an ask to donate to their fundraising page. Click the link below to sign up or nominate a friend.
