# Join the Make-A-Wish Connecticut Emerging Leaders Council and Help Grant Wishes Today!

The Make-A-Wish® Connecticut Emerging Leaders Council (ELC) is comprised of young professionals with diverse professional backgrounds and personal interests who desire to support the mission of Make-A-Wish Connecticut by making a difference in the lives of children in our community. ELC members will serve as ambassadors, advocates and resources for Make-A-Wish leadership, Board of Directors and staff. The Emerging Leaders Council is made up of young professionals in Connecticut who are passionate about being active and are philanthropic members of their communities.

Join other Connecticut young professionals as a member of the ELC and you will have the opportunity to not only raise money for Make-A-Wish Connecticut but also gain a hands-on experience in the inner workings of a local chapter of a national non-profit. From how Boards of Directors work to planning a fundraising event, you will experience all aspects of non-profit management.

Through fundraising events, personal fundraising drives, corporate matches, donating frequent flyer miles and more, you can raise much needed funds to help Make-A-Wish Connecticut grant the wishes of eligible children with critical illnesses.

Active members of the ELC will have the annual responsibility of directly donating \$50 and raising an additional \$250 through participation in events or outside fundraising opportunities.

Interested in joining? Questions? Contact your ELC representative or email Make-A-Wish Development Operations Manager, Jillian Baker at [jbaker@ct.wish.org](mailto:jbaker@ct.wish.org)
