Participants will receive early entry into the zoo and parking, to gather with their teams and celebrate their efforts with some special surprises, after completing the scavenger hunt, participants can enjoy the zoo at their leisure. All the money raised will go towards making more wishes come true for local kids. Wishes deliver hope. Now more than ever, that hope is essential!

The *Scavenger Hunt Walk for Wishes* takes place during regular operating hours at the zoo which means your company will be seen by scavenger hunt participants and zoo patrons. It's also an opportunity to provide a fun team building experience and day out for your employees and their families.
