Make-A-Wish Ohio, Kentucky and Indiana

Our Mission and Vision

Wishes deliver hope, and now more than ever, children with critical illnesses need the hope a wish brings. As a Make-A-Wish Ohio, Kentucky & Indiana (Make-A-Wish OKI) supporter, you can help make more of these life-changing wishes come true. By partnering with Make-A-Wish OKI, you will also be positively engaging critical stakeholders, making work more purposeful for employees, and sending a meaningful message about your commitment to community involvement.

Make-A-Wish is the world's largest wish-granting organization and one of America's most trusted charities. According to a 2019 Harris Poll survey, more than half of Americans would be more likely to buy from a company that supports Make-A-Wish, and 75% of employees said they'd feel positive about their company if it supported Make-A-Wish. Sponsorship gives your business or organization positive exposure and shows consumers you are socially concerned and dedicated to doing good. And all of the funds raised by Make-A-Wish stay local, so your commitment helps make wishes come true for children and their families in your neighborhoods.

The majority of wish kids, about 80%, go on to beat their illness, and once in adulthood, many wish kids tell Make-A-Wish that their wish marked a turning point in their road to treatment and recovery. ***A wish is hope, and hope is essential.*** Through sponsorship, you can help make every wish come true and be a light of hope throughout this time of crisis – and beyond.
