make a **BIG** impact  
in your community.

Make-A-Wish® Oklahoma is thrilled to invite you to the 4th Annual **Waffles for Wishes** event hosted by the Tulsa region Wish Young Professionals Council, to fund the wishes of Oklahoma children with critical illnesses.

Strength is essential. Especially when you're fighting for your health. We stop at nothing to deliver it in large doses. The strength to be resilient, the strength to unify a community, the strength to find hope. And it doesn't stop there, a wish-come-true empowers and transforms the lives of anyone who plays a part.

We invite you to share in the power of a wish by sponsoring this full of life event, **Waffles for Wishes**. Becoming a sponsor will give you a unique opportunity to showcase your business to people of all ages and to align your business with a respected organization that makes wishes come true each day.

**Waffles for Wishes** will be held on **Saturday, April 23, 2022** at The Rucker Warehouse. During the brunch, guests will have the chance to bid on silent auction items, brunch with friends, enjoy delicious food and drinks all while hearing inspiring wish stories. Our hope is that as you work through your budgeting process for the coming year, you will strongly consider supporting this important event.

Remember, your donation will stay here in Oklahoma to grant wishes to local kids with critical illnesses. Sponsors who have committed by **March 31, 2022** will be included in the advertising, event program, and featured on the Make-A-Wish Oklahoma website.

Thank you for considering this request and helping us transform lives, one wish at a time! We are available and would love to meet with you to discuss Make-A-Wish Oklahoma and answer any questions you might have.

## ABOUT MAKE-A-WISH® OKLAHOMA

Make-A-Wish Oklahoma was founded in 1982 when a group of caring individuals came together to help bring local children hope and strength to fight their illnesses. Since our inception, Make-A-Wish Oklahoma has granted over 3,200 transformational wishes to children across all 77 counties of the state.

Children that qualify for a wish are between the ages of 2 ½ and 18, and have been diagnosed with a critical illness. They are not necessarily terminal. In fact, many of wish kids overcome their medical conditions and go on to lead strong, healthy lives.

In the fight against a critical illness, a wish serves as a catalyst for renewed strength and encouragement for every child and family on their journey.

*Put simply, we believe a single wish transforms lives.*
