2022 SPONSORSHIP OPPORTUNITIES

TOGETHER, WE CAN GRANT WISHES

Make-A-Wish® is more than wish granting, it's a global movement of transforming lives through hope. Wishes provide what medicine cannot – extraordinary and memorable experiences that allow children to take their focus off the illness and provide a sense of renewed normalcy. In fact, research shows that children who have wishes granted can build the physical and emotional strength they need to fight their critical illnesses, potentially improving their quality of life and producing better health outcomes.

Now more than ever, the world needs the hope of a wish.

YOUR COMMITMENT MAKES A DIFFERENCE

*At an average cost of \$10,000 per wish, we need your help to make each one a reality. Together with community volunteers, our chapter has granted over 18,000 wishes to local children and families since 1983. **Baskets for Wishes** is a powerful way for you or your company to demonstrate your commitment to your employees, their families and the community.*
