

Development Intern

At Make-A-Wish, we believe wishes have the power to give children renewed energy and strength, bring families closer together and unite entire communities. Together, we can improve the lives of children battling critical illnesses by joining together to bring strength, hope and joy.

Goals

- Support overall development efforts of the chapter, which include cultivating, soliciting and stewarding individual, corporate and foundation donors.
- Increase awareness of Make-A-Wish® in the Texas Gulf Coast & Louisiana communities.

Position Overview

- Research donor prospects, including individuals, companies, and foundations.
- Assist in the coordination of our chapter's involvement in national fundraising partnerships and initiatives.
- Coordinate donor stewardship activities and projects that include, gathering wish stories to share with donors, coordinating donor mailings, ordering and delivering donor appreciation gifts, writing thank you notes and creating other stewardship materials.
- Assist in donor/sponsor recognition efforts online via social media accounts and local website.
- Utilize design programs, like Canva, to design and develop materials to be shared on social media and with current/prospective financial supporters
- Assist the development team in coordination of wish experiences that bring the mission to life for our donors
