

103 WISHES

Together, we sparked imagination and delivered strength to 103 children in South Carolina battling critical illnesses.

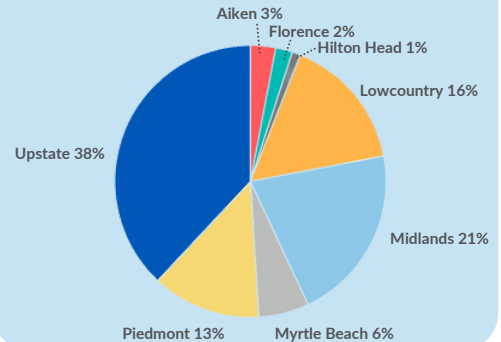

WISHES BY TYPE

Wishes are as unique as the child making the request, but typically fall within four categories: I wish to have, I wish to be, I wish to meet, and I wish to go.

WISHES BY REGION

The SC chapter serves all 46 counties of the state and is defined within eight regions: Aiken, Florence, Hilton Head, Lowcountry, Midlands, Myrtle Beach, Piedmont, and Upstate.

COMMUNITY IMPACT through Events, Programs and Volunteering

Hundreds of dedicated community partners rallied, despite the COVID-19 pandemic, and held wish kid parades, became Corporate Partners and sent Messages of Hope to wish families.

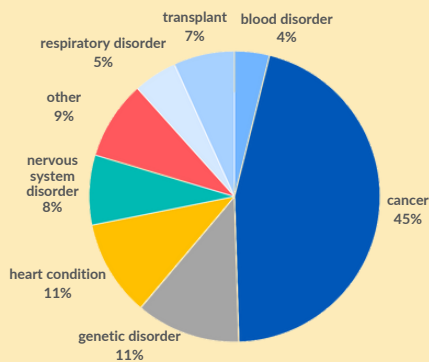

246 outdoor adventurers conquered 28.3 miles in 1-day in the *Trailblaze Challenge* or went *Running Wild for Wishes* and became wish champions.

781 community guests celebrated wishes at exciting virtual events, *Wish Ball* and *Wishes in Bloom*

265 volunteers selflessly gave their time and energy to grant wishes in all 46 counties of S.C.

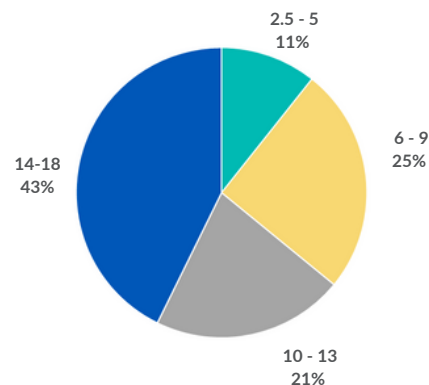

WISHES BY QUALIFYING CONDITION

Wishes are granted to serve as a catalyst for renewed strength and encouragement to children with illnesses defined as malignant, degenerative or progressive.

WISHES BY AGE

With the support of volunteers and donors, we grant wishes for children 2.5 to 18 years of age with critical illnesses.

Transform lives, one wish at a time.
