

## Make-A-Wish Alabama History

Make-A-Wish Alabama was established in 2012, and we have granted over 1,000 wishes for Alabama wish kids since that time.

More than 280 children in our state are currently waiting on a wish. We receive more than 20 referrals each month. Join us as we work toward granting the wish of every eligible child in Alabama!

## The Intern Experience

Interns are a crucial part of our chapter. From data entry to family calls, to working with donors and volunteers, interns gain insight into the workings of Make-A-Wish Alabama. All internships are currently unpaid; however, in return for hard work and dedication, our interns receive valuable training, knowledge, hands-on

experience, a chance to network with others, college credit, and the opportunity to make a difference in the life of a child.

## How do I become an intern?

To apply for a Make-A-Wish Alabama internship, please visit [our website](#)

## Types of Interns

No matter what skill you bring to the table, we are excited to work with you as we create life-changing wishes for children with critical illnesses. Need help deciding where you fit? Read on to learn more about the types of internship opportunities we offer.
