

hello!

Now in its 20th year **Serving Up Wishes** is a unique fundraiser that partners **Make-A-Wish® Idaho** and **Boise State University** to make **wishes come true for Idaho children**. Approximately 80 Boise State University student-athletes, representing every NCAA and Boise State sponsored men's and women's sport, take part in this high-energy, fun-filled night full of non-stop entertainment.

During the evening, Boise State student-athletes showcase their many talents to the delight of the event guests. The evening includes a sit down dinner, live auction, and a presentation from a wish child and/or their family highlighting their special wish experience.

Make-A-Wish grants life-changing wishes for children, like Cosette, with critical illnesses. It is the largest wish-granting charity organization in the world, with 59 chapters in the United States and its territories and 32 international affiliates on five continents.

The Idaho chapter is celebrating its 36th year of wish-granting and the over 1,800 wishes that have been granted in Idaho.
