Making a gift of stock

Your contribution of stock to Make-A-Wish Foundation of Alaska and Washington is deeply appreciated as there are currently enough children waiting for their wishes to fill seven school buses—that's about 500 children!

Your brokerage firm can assist you with the transfer, but for legal reasons, they cannot tell us who you are. Contact your broker to set the transaction in motion—and then please contact us with your plans so that we can confirm and acknowledge your contribution.

You can provide the information in a quick telephone conversation, using this stock contribution form to prepare, or send the form directly to us by email, fax or mail.

Your broker will need to know the name of the company whose stock you wish to transfer and the number of shares or approximate value you wish to give. They'll also need the following information about our brokerage account at Morgan Stanley:

Account number: 860-114800-500
DTC number: 0015
Broker: Travis L. Roscoe, CFP
Telephone: 360-613-1983 or toll free 800-447-6021
