

Make-A-Wish®

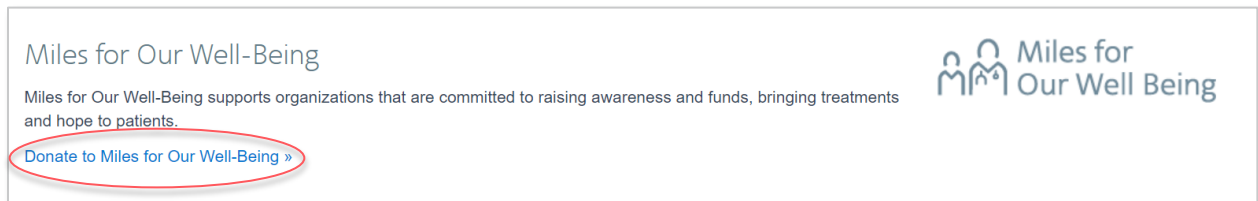

American Airlines Donation Guide

1. Direct the donor to the American Airlines donation page, www.aa.com/donate

2. Scroll down to the Miles for Our Well-Being program and click 'Donate to Miles for Our Well-Being'.

Note: Donors can only donate to the 'Kids in Need' program which benefits multiple children's charities. We receive a large corporate gift (largest of all airlines) from this program and encourage our donors to donate their miles regardless of the fact that they cannot designate Make-A-Wish as their charity of choice.

3. The donor will be prompted to log into their account using their AAdvantage #, last name, and password. Once logged in, they should land on the donation page where they can use the dropdown box to specify their donation amount.

Note: There is a minimum donation of 1,000 miles for AAdvantage miles.

Your information

Name: xxx
AAvantage number: xxx
Available miles:* xxx
Email: xxx@xxx.com

* May exclude flights, awards, and other eligible transactions processed within the last two weeks.
