

Care Beyond the Field

In February 2023, Make-A-Wish Central and Western North Carolina, alongside Truist Bank, was able to grant local wish kid Adin's wish because of the wish to "wish it forward" by fellow wish kid TJ, a heart transplant survivor.

Thanks to TJ's special request and with the help of special guest, NFL great Greg Olsen, Adin's wish to go to the Super Bowl came true in a surprise wish reveal. What an inspiring day of care!

Adin, who has cancer, was overjoyed to go to Phoenix, Arizona and attend Super Bowl LVII with his family! The Charlotte native is a huge football fan. (Go Steelers!) Adin, 19, also loves live concerts (think halftime show!), sushi, and candy and is currently studying computer science in school.

This story of Adin, TJ and his dad, Greg Olsen, shows how TOGETHER we create life-changing wishes for local wish kids with critical illnesses.

We are honored to work alongside Truist and Greg Olsen as we continue to give back to a community that means so much to us.

*To go to the
Super Bowl*

Adin, 19
cancer

Wish Reveal

Watch the surprise wish reveal with NFL great Greg Olsen and his son, TJ.
