

Welcome to Make-A-Wish[®] Colorado

Mission: Together, we create life-changing wishes for children with critical illnesses.

Vision: To grant the wish of every eligible child.

Values: Child focus, integrity, impact, innovation & community.

The Power of a Wish

Wishes provide what medicine cannot – **extraordinary and memorable experiences** that make an illness the least of a child’s worries, while a sense of normalcy comes into focus. Research shows children who have wishes granted build the **physical and emotional strength** they need to fight a critical illness.
