## *Whiskey, Wine & Wishes presented by Chevron*

Whiskey, Wine & Wishes presented by Chevron is a party with a purpose that celebrates the tangible, transformative and life-changing impact a wish has on wish kids, families, medical teams and the entire community.

Last year, this event brought 750+ Make-A-Wish supporters together to raise enough funds to grant 100 wishes. We can't wait for year two! It will be another unforgettable evening of wish stories, live music and plenty of fun at Mission Ballroom in Denver!

By sponsoring this event, you will help us continue to restore hope and bring joy to children with critical illnesses. Wishes are powerful and you can help make them come true.

According to the 2022 Wish Impact Study, wish alumni, parents and medical professionals all agree that a wish is a necessary part of the medical treatment journey, giving kids the strength to fight against and even overcome their critical illness. Wishes increase hope, strength, joy, confidence, self-esteem, quality of life and well-being.

***Together, we create life-changing wishes for children with critical illnesses.***

*Will you join us?*
