We're honored to have granted your wish, but the fun doesn't stop here. Once your wish is granted, we would like to formally welcome you to the Wish Alumni Community of over 15,000 wish alumni in Illinois and 300,000 across the U.S. Part of the magic of your wish is sharing it with others. Through the Wish Alumni Community, there are many ways to get involved—whether it be today or years down the road.

You're invited to share your experience with family members and friends, connect with us on social media, and pass along encouragement to others on their wish journey. We'd also love for you to join us at Make-A-Wish events to meet other Wish Alumni and help financially support more wish journeys for more children.

Your story of resilience and healing is remarkable and will be a positive impact for years to come. The Wish Alumni Community looks forward to meeting you!
