CELEBRATING 40 YEARS OF LIFE-CHANGING WISHES

For the last 40 years, we've changed lives together. We've rallied communities, we've trained volunteers to give their time and hearts, we've asked and welcomed donors to grant wishes, bringing hope and joy to children and families when they need it most. Every wish we've granted is a testament to the unwavering power of community and a reminder that no obstacle is too great when we roll up our sleeves and bring every child's imagination to life.

As we reflect on 40 years of wishes, we also look towards the future— the wishes waiting to be wished. The road ahead is paved with countless opportunities to reach more children and families across the greater Bay Area who need the healing power of a wish-come-true.

Birthdays are for making wishes. Here is our wish—to grant more wishes, to reach every corner of our territory, to build unbreakable bonds with wish families, and invite and welcome all who want to change lives to be part of the phenomenal power of a wish.

Help us reach more wish kids, help us dream bigger, help us continue to be there for our families when they need it most.
