

Thank you for your interest in volunteering with Make-A-Wish®. Behind every Make-A-Wish experience, there are volunteers filling a multitude of roles. Their commitment is what drives Make-A-Wish and allows us to create life-changing wishes for children with critical illnesses.

HOW DO I BECOME A VOLUNTEER?

In order to provide the wish children and families with the best experience possible, we require all potential volunteers to go through an assessment before becoming an active Make-A-Wish volunteer.

Volunteer paperwork takes about 2 weeks to process and approve. After your paperwork is processed, you will be contacted with detailed instructions as it relates to the next steps based on the opportunities you selected. Please note, volunteer needs may vary by chapter needs.

WHY DO I NEED A BACKGROUND CHECK?

Due to the nature of our work, select volunteer positions must successfully complete a criminal background check every 3 years. Make-A-Wish does not employ or utilize as a volunteer any individual who has been convicted of a crime that (a) victimizes children, (b) is sexual in nature, or (c) involves violence, fraud, or significant theft. Please contact us with any questions related to past convictions and/or our background check screening process.

WHO DO I CONTACT WITH QUESTIONS?

Our team is happy to answer any questions or address any concerns that you may have.

SOCIAL MEDIA GUIDELINES

The Foundation recognizes that social media, when used appropriately, can play a valuable role in engaging wish families, donors, prospects, volunteers, the media and others in mutually beneficial relationships. For this reason, Make-A-Wish is an active participant in social media, including Facebook, Instagram, YouTube, Snapchat, and Twitter. However, it is important to understand that volunteers' use of social media can pose risks to the Foundation's confidential information, reputation and brand, and can expose the Foundation to various potential legal risks.

Foundation volunteers are encouraged to connect with Make-A-Wish via social media and support the Foundation's programs, promotions and social media messaging, so long as such activity (a) is intended primarily to benefit the Foundation, and (b) does not interfere with the performance of the volunteer's event or wish assignment.

Volunteers who choose to engage with the Foundation via social media must comply with the following rules:

- 1. Maintain Confidentiality. Volunteers' social media activities are subject to the Foundation's Confidentiality policy, which requires volunteers to "safeguard the confidential nature of information concerning the Foundation, wish children and their families, other volunteers and donors" to which they may have access volunteering in the office, but which has not been released as public information and which is not otherwise available to persons outside the organization.
- 2. **Protect the Brand.** When referring to or engaging with Make-A-Wish through social media, volunteers are expected to use the Make-A-Wish trademarks properly, in accordance with the National Office Style Guide to the extent reasonably possible.
- 3. **Use Good Judgment.** While the Foundation respects the right of volunteers to post personal comments and perspectives on social media sites, posting ones about potentially controversial subjects, may be misconstrued as representing the views of the Foundation, which can result in a public and/or media relations challenge for the Foundation. To reduce the chance of such a situation occurring, volunteers should: (a) consider whether to identify themselves as a Make-A-Wish volunteer on their social media pages; (b) make it clear that any social media activity is from the volunteer's perspective, and that the volunteer is not representing or speaking on behalf of the Foundation; and/or (c) generally be circumspect about what they post, bearing in mind that anything posted on social media can reflect on Make-A-Wish even with reasonable precautions.

- 4. <u>Posting Guidelines</u>. Volunteers are encouraged only to post to Make-A-Wish Hudson Valley's social media pages. You may NOT post to your personal page. However, you can (and are encouraged to) re-post or "share" anything that the chapter posts. Do not save and then post content as your own always re-post or share to provide a clear trail of appropriate permissions.
- 5. <u>Digital Assets Sharing.</u> Volunteers are encouraged to take Digital Assets such as photographs or video at fundraising or wish visit/delivery events and forward them to the Director of Marketing & Volunteer Management by emailing them to MakeAWishHV@gmail.com for possible inclusion on the chapter's social media channels.

In addition, volunteers who engage in social media activities (involving the Foundation or otherwise) should be aware of the following:

- 1. The right of self-expression is accompanied by certain common sense and legal responsibilities. For example, individuals who post comments on the Internet can be held personally liable for content that violates the intellectual property rights of others and/or is considered to be defamatory, obscene, or confidential by any offended party.
- 2. Volunteers need to understand they have no reasonable expectation of privacy with respect to personal information posted on the Internet, which can be reviewed by anyone in the world, including the Foundation, now or in the future.

The Foundation reserves the rights to: (a) utilize online and social media monitoring tools to monitor comments about the Foundation and/or its employees, volunteers and other constituents that are posted on the Internet by anyone, including employees and non-employees; (b) request cessation or appropriate modification of commentary posted by Foundation employees or volunteers that violates this policy; and (c) impose discipline up to and including termination on any employee or volunteer who materially violates this policy.

Any questions regarding this policy should be directed to the Director of Marketing & Volunteer Management. Similarly, the Foundation strongly encourages volunteers to report to the Volunteer Coordinator and/or the President/CEO (on a confidential or anonymous basis if desired) any actual, potential or perceived violations of this policy by other volunteers as soon as they become aware of them.

Volunteer Self-Assessment

Thank you for your interest in volunteering with Make-A-Wish®. Volunteering is a commitment and it is important to find a role(s) that best match your skills, interests and availability to the needs of Make-A-Wish. In general, Make-A-Wish volunteers exhibit the following qualities:

- 1. Dedicated and Reliable Our volunteers prioritize volunteering for Make-A-Wish by adding this commitment to an already busy life. The dedication and reliability of our volunteers ensures that we remain dedicated to making every eligible child's wish come true. For some roles, this means a commitment that may extend past a year.
- 2. Collaborative and Inclusive All volunteer roles require individuals who can work collaboratively with chapter staff and for many roles, other volunteers. Volunteer opportunities involve working with people of different ages, socio-economic, cultural, racial, ethnic, religious, and educational backgrounds.
- 3. Flexible Many roles require individuals to accept assignments that may include nights, weekends or off-peak hours. In some situations, this may require an individual to assist with a short-notice assignment.
- 4. Organized and Detail-Oriented Our volunteers perform high-quality, accurate work ensuring information is appropriately relayed while maintaining a high level of confidentiality. Individuals often coordinate various details of a project through multiple conversations while notating actions taken along the way to ensure the task was complete.
- 5. Continuous Learner All volunteers must attend an orientation to Make-A-Wish. Some roles require an in-depth training session specific to that role. In addition, volunteers are encouraged to attend one continuing education course each year. Volunteers will receive ongoing feedback and coaching from chapter staff to aid the individual in his/her role.

As you think about the ways in which you may volunteer with Make-A-Wish, please take a moment to evaluate your skills, talents, and availability specific to each statement under the respective volunteer opportunity. Be completely honest with yourself throughout this self-assessment. If you identify additional skills/talents that you feel may fit with Make-A-Wish, please contact your local chapter to discuss how those may fit with their needs.

We strive to find a good fit for each volunteer and appreciate your inquiry about volunteering with Make-A-Wish. If you decide that Make-A-Wish is not the best fit for you based on the qualities listed above or through the self-assessment below, you may want to research other volunteer opportunities by visiting VolunteerMatch at www.volunteermatch.org.
