GREATER PENNSYLVANIA  
AND WEST VIRGINIA

★ Celebrating 40 Years and 21,000 Wishes ★

*Dear School Administrator,*

As back-to-school season is here, I wanted to take a moment to introduce a program that brings hope to kids who need it most – the Make-A-Wish® Kids For Wish Kids® program.

Here at Make-A-Wish, our mission to grant life-changing wishes for children with critical illnesses is vital. Gaming computers, puppies, playsets and wishes to travel are some of the most popular types of wishes. Your school's participation in our Kids For Wish Kids program this year is crucial to reaching our vision of granting the wish of every eligible child.

*This year, marks four decades of creating uplifting moments and magical memories for wish kids. Your school can help us continue a legacy of granting wishes well beyond our 40 years.*

Please take a moment to review this brochure which details how your school can make a difference, and email me at [jseavy2@greaterpawv.wish.org](mailto:jseavy2@greaterpawv.wish.org) to share your plans.

Best wishes,

Jake Seavy

FOR WISH KIDS®

Help Make-A-Wish® Greater Pennsylvania and West Virginia celebrate our 40th Anniversary. Host a fundraiser in honor of wishes today!

Through Kids For Wish Kids®, elementary, middle and high school students change the lives of other kids diagnosed with critical illnesses.

At any given time, Make-A-Wish® Greater Pennsylvania and West Virginia is working on roughly 500 wishes. Your school's participation can give these kids a chance to be a kid again, while fostering hope and strength for the future.

Participation in Kids For Wish Kids helps students develop important life skills while changing the lives of kids in their community. Students use their imagination to select, organize, manage and complete fundraisers within their school, clubs, grade or group.

In addition to helping to grant wishes, participants can expect to develop a better understanding of:

- The value of community service
- Volunteerism
- Leadership skills
- Entrepreneurship
- Money management
- School spirit
- Teamwork

Wish kid Zack, who was granted his wish for a T-rex dinosaur in his backyard in 2005, had hosted several fundraising events to help make wishes come true for other kids.
