WISH BALL 2024

AN EVENING OF *black, white & sparkle*

PRESENTED BY

PHUSION
PROJECTS

PXG is proud to support Make-A-Wish Arizona and the 2024 Wish Ball. Together, we can make the world a little brighter.

EVERY *Wish* INSPIRES

Welcome to the 2024
Make-A-Wish® Arizona Wish Ball
presented by Phusion Projects

It's ***An Evening of Black, White, and Sparkle*** on the **FIELD OF WISHES** where ***dreams*** sparkle bright, and ***wishes*** come true.

We are honored to have so many of you here tonight, both individuals and companies, who are dedicated to ensuring that the mission of Make-A-Wish Arizona continues to blossom.

Tonight, our goal is to grow a **FIELD OF WISHES** that creates hope, strength, and joy for the hundreds of children with critical illnesses. When you support Make-A-Wish, you do more than help us grant wishes. You provide a perfect wish that meets wish kid needs and their futures.

I have seen firsthand the unforgettable power wishes have in the lives of critically ill children and their families when they need it most. That's why this fiscal year is an important one as we set a goal to grant **450 wishes** in Arizona, ***more than ever before.***

Our wishes are as diverse as the kids we serve — from room renovations, playsets, and shopping sprees to sports and travel experiences like the World Series, Walt Disney World® and Hawaii.

Thank you for your enthusiastic and loyal commitment to our wish kids and families, and the communities that support them.

Enjoy your evening on this special night.

Tonight, wishes are in bloom!

Thank you for attending the 2024
Make-A-Wish® Arizona Wish Ball
presented by Phusion Projects

As longtime supporters of Make-A-Wish Arizona, we are deeply honored to be part of the continued legacy of Wish Ball. This event holds a special place in our hearts as it celebrates wish kids and the **FIELD OF WISHES** they dream of.

This year, our inspiration for the theme came from this exciting new venue, Chase Field! We feel extremely fortunate to have received immense support from our community partners as we ventured beyond the ballroom and into the ballpark.

After achieving a record-breaking milestone last year with 424 wishes granted – the most in Arizona's history – Make-A-Wish Arizona has set an even higher goal of granting 450 wishes this year. This means the funds raised at this evening's Wish Ball are more critical than ever before.

Together we have worked tirelessly to bring you an array of amazing live and silent auction items, along with one-of-a-kind Wish Kid art. Tonight, we encourage you to raise your paddle, place your bids, and join us in making your own dreams come true in our **FIELD OF WISHES!**

We want to give a special thank you to the dedicated Wish Ball committee members, the hardworking staff at Make-A-Wish Arizona, and our incredible sponsors and guests who continuously support wish kids and their families.

Together, let's make the dream of a **FIELD OF WISHES** a reality!

WISH KID CO-EMCEE

Aubrie, 19

Wish Granted: May 2019

Aubrie's Wish Journey:

At 14, Aubrie faced the challenges of cancer treatments and medical tests, but her journey took a turn when she was approved for a wish through Make-A-Wish Arizona.

Encouraged by her physicians, Aubrie applied for a wish, learning that it was meant to bring hope rather than sadness. Despite concerns about its feasibility, Aubrie wished to visit the remote island of Mo'orea in French Polynesia.

"The wish made me feel free and exceptional," Aubrie said when talking about how the experience impacted her. **"It was like a celebration."**

Today, Aubrie is a freshman at University of California, Los Angeles (UCLA), pursuing a degree in psychobiology on a pre-medical track. After graduation, she aspires to further her education and become a Pediatric Oncologist.

WISH KID CO-EMCEE

Dania, 18

Wish Granted: August 2022

Dania's Wish Journey:

Dania's teen years took an unexpected turn when a routine physical revealed leukemia. "Her diagnosis was extremely difficult for us; it was so unexpected," recalled Dania's mom, Magda.

After two challenging years of treatment, Dania rang the cancer-free bell, a moment of triumph, accompanied by the news that Make-A-Wish Arizona would grant her a wish.

Dania's wish was a shopping spree, during which she would experience the thrill of buying without worrying about prices, feel like a celebrity, and share the joy with her family.

"The wish impacted me because it felt like a reward after a long time in treatment, and this is a memory that forever will stay with me," Dania shared.

"She couldn't wait to go back to school to show off her new outfits and tell her friends all about it," Magda shared. "This experience was very special and meaningful to Dania, and we are fortunate that all of us, her family, were part of her special moment."

Dania is a senior at Metro Tech High School. After graduation, she hopes to continue her education at Arizona State University and pursue a career in teaching.
