

## MIDDLE SCHOOL FUNDRAISING IDEAS

Wishes have proven physical and emotional benefits that can give kids with critical illnesses a higher chance of survival. And wishes not only help these children—they also have far-reaching, positive impacts on their families and communities. There are few limits to Kids For Wish Kids fundraisers. Students of all ages can create their own ways to raise funds or combine their efforts with existing school events, like spirit week or field day.

### STAR WALL

Choose a place somewhere on campus, and have people make a donation to add their name to the wall. Have a competition against different grade levels to see who can fill the wall with the most stars!

### PENNY WAR

Each grade level competes against each other to collect the most pennies. Students are encouraged to put nickels, dimes, and quarters into another grade's container to get the corresponding amount of pennies subtracted from their total count!

### SPORTS TOURNAMENT

Host a basketball, softball, soccer, or kickball tournament! Charge a flat rate for each participating team, as well as snacks and merchandise for a little extra fundraising the day of the tournament!

### CAR WASH

Give people a low-cost option for getting their car wash, and set up a donation box for any tips you may receive!

### A-THON EVENTS

Reserve a fitting location such as your school track, gym, or cafeteria to hold a dance-a-thon, walk-a-thon, or jog-a-thon. Students can receive pledges from friends and family for each lap they walk or run, or minute they dance!

### TALENT SHOW

Celebrate and showcase your student's skills with a talent show! Raise funds through ticket sales and snacks the day of!
