Make-A-Wish South Carolina creates life-changing wishes for children battling critical illnesses.

Make-A-Wish South Carolina's mission is simple yet significant to the lives of children fighting big battles. We do this together with the generous support of donors and hundreds of volunteers statewide. Our vision is to fulfill the heartfelt wish of every eligible child, ages 2 ½ to 18 years. We grant wishes in order to bring renewed hope, strength, joy and ultimately, healing, to children. Since our inception in 1984, we have enriched the lives of more than 4,000 children through our wish-granting work!

Each year, it is estimated that 400 children in South Carolina will be diagnosed with a life-threatening medical condition. As of today, we have over 375 children in South Carolina waiting for their wish to be granted and of those, 25 families live in the Grand Strand.

By partnering with our tournament, you will help us to grant wishes just like these. We need your support to generate joy and transform lives, one wish at a time!
