

Toy DRIVE

Please donate any new (**store-bought and in original packaging**), **unwrapped** items from our **wish list** at the QR code below to help make the wish experience extra-special.

Our goal is to raise 2,850 toys for our toy closet!
These toys go directly to wish kids and their siblings.

By reaching our goal these toys will benefit roughly 315 families in the wish process throughout the next year!
