

Program Overview

Thank you for your interest in participating in the **Hot Chocolate for Wishes (HCFW)** program!

Hot Chocolate For Wishes is an annual do-it-yourself event inviting people from around the Hudson Valley – young and old – to put their entrepreneurial hats on and pop-up their very own hot chocolate stand in support of granting local wishes.

Supporters can host an in-person or online Hot Chocolate Stand beginning on November 29th and February 14th, in honor of **National Hot Chocolate Day** on January 31st, to help make wishes come true!

Help fill our community with warmth and grant wishes for local children! Thank you for your support!

Get started today by scanning the QR code to start your virtual fundraising page or reach out to **Lindsay von Hagn** at lvonhagn@hudson.wish.org.
