

FUNDRAISING CHALLENGE

**CAN YOU RAISE \$250 IN ONE WEEK TO HELP MAKE WISHES COME TRUE?!
YES, YOU CAN!**

- Day 1:** Work with a parent or guardian to set up your Wish Your Way online fundraising page at Make-A-Wish Connecticut. Be sure to add a photo and a personal message about why you are helping Make-A-Wish. Then, make a **\$20** donation to kick-start your fundraising!
- Day 2:** Call two of your extended family members – aunts & uncles, grandparents, cousins – and ask them to each match your \$20 donation. Now, you're up to **\$60!**
- Day 3:** Record a video about why you are fundraising for Make-A-Wish and post it on social media (or ask your parent to post it on their pages). If 3 friends give \$20 each, you've doubled your total to **\$120!**
- Day 4:** Send an email to some of your favorite family members, coaches or group leaders and ask them to help you hit your fundraising goal. If 3 of them give \$10 each, you're already to **\$150** – just \$100 more to go!
- Day 5:** Text your 5 best friends (or your parents' best friends) to ask them to each make a \$10 donation. Now you're up to **\$200** – so close!
- Day 6:** Check out the videos on the Make-A-Wish Connecticut YouTube page. Find your favorite one and share it on social media along with an update on your fundraising results (or ask a parent to share). If 2 more people give \$15 each, you're up to **\$230!**
- Day 7:** Video chat with your favorite family member or friend and ask for that final \$20 donation. Then, they can help you celebrate when you **hit your \$250 goal!**
