

Together, we create life-changing wishes for children with critical illnesses.

TRAILBLAZE CHALLENGE

October 24-26, 2025

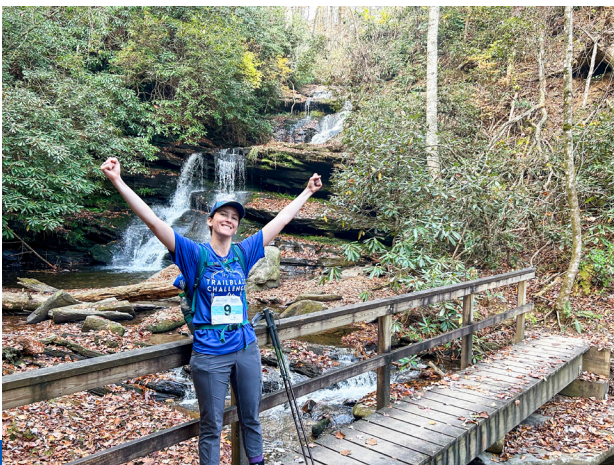

Kingwood Resort | Bartram Trail

22-mile hike on Saturday, October 25th

Wish kids show resilience and endurance every day in facing their critical illness. Trailblaze Challenge gives hikers the opportunity to share that same resilience and endurance as they tackle 22 miles along the beautiful Bartram Trail.

The fall Trailblaze Challenge gives hikers the chance to experience some of Georgia's most breathtaking views including the Blue Ridge Mountains, Holcomb Creek and Rabun Bald. Challenge yourself in the Georgia wilderness while helping give children renewed energy and strength through a life-changing wish.
