CELEBRATING 5 YEARS OF DINKING TO HELP GRANT WISHES!

It's time to take a swing at the annual Pickleball for Wishes Tournament!

Engage your employees in a meaningful wellness and corporate social responsibility activity while also coming together in support of a common mission: to create life-changing wishes for children with critical illnesses.

Free Beginners Clinic

Pickleball is known as one of the easiest sports to pick up and the event offers a free clinic to help participants learn some techniques and rules of the game if they've never played it before.

Celebration of Wishes

After the tournament final, players and spectators will gather for the Celebration of Wishes Reception which will include a warm meal, an award ceremony, inspiring wish speakers, music and more!

The mission of Make-A-Wish is to create life-changing wishes for children with critical illnesses.

95% of wish alumni said their wish helped them overcome feelings of sadness and felt more **hopeful** for their future.

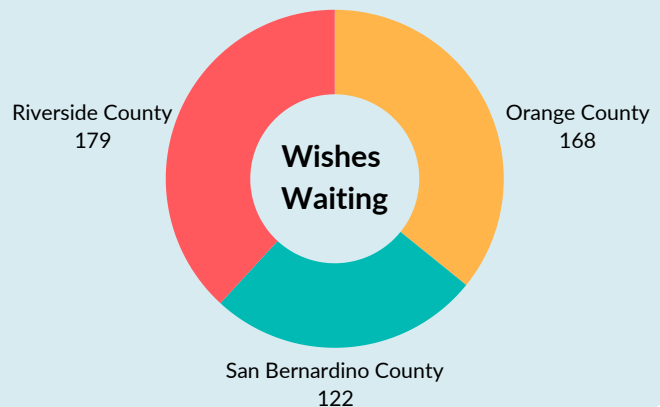

91% of wish parents believe the wish experience is a **necessary part** of a child's treatment journey.

90% of medical professionals said a wish **increases** a child's **compliance** with treatment.

There are **over 475 children in Orange, Riverside and San Bernardino Counties waiting for their wishes to be granted.** Be part of the magic and help make wishes come true!
