HOPE IS *Essential*

Together, we create life-changing wishes for children with critical illnesses. Since our inception in 1984, Make-A-Wish Texas Gulf Coast and Louisiana has provided transformational wishes to nearly 12,000 children. Through the support of our corporate partners, donors, and volunteers, we are able to propel our mission and bring even more wishes to life. At Make-A-Wish, corporate funding and community engagements are essential components of our work.

This year, our corporate partners have helped us grant wishes for puppies, golf carts, backyard playsets, trips to Disney World and even a Quinceañera. We believe a wish isn't just a single moment in time, but a transformative experience created specifically for each wish child. Your support will help share the power of a wish with local children battling critical illnesses.

I WISH TO HAVE

I WISH TO GIVE

"A wish isn't just about making a child feel good for a day. There is science now to show that when we display compassion it makes a huge difference to children's medical outcomes.

If we give them hope, it is as important as any medicine or surgery a doctor can give.

Make-A-Wish is one bright light on the horizon for these children and their families."

Dr. Daniel Penny,
Chief of Pediatric Cardiology,
Texas Children's Hospital,
Make-A-Wish Board Member and Donor

Emotional & Mental Well-Being

9 out of 10 wish parents saw their child's emotional well-being improve with a wish.

Turning Point

9 out of 10 medical providers say a wish increased compliance with treatment.

Strength to Fight

8 out of 10 wish kids reported that their wish gave them the strength to fight their critical illness.
