

*An Enchanted
Evening of Wishes*

Westchester Country Club
99 Biltmore Avenue
Rye, NY 10580

Dear Friend,

We are excited to announce our signature annual event, the Wish Ball, taking place on Friday, April 4, 2025, at the prestigious Westchester Country Club in Rye, NY. This magical evening brings together hundreds of compassionate individuals and corporate partners to celebrate hope, strength, and joy. Last year, we raised over \$300,000—the equivalent of 30 wishes granted for children battling critical illnesses.

The Wish Ball is more than a gala; it's a powerful celebration of the life-changing impact a wish can have on a child and their family. The evening will include interactive experiences, a gourmet dinner, entertainment, and a dynamic live and silent auction—all in support of granting wishes for the over 180 local children currently waiting for their wishes to come true.

We invite you to support this inspiring event by contributing an item to our auction. Your generous donation will not only enhance the event experience but will also showcase your business to a caring and engaged audience of over 400 guests at the Wish Ball, as well as thousands more through our online auction platform. The online auction will be promoted to over 20,000 contacts via email and highlighted across our social media channels, providing increased visibility and exposure for your business. Your support ensures that we can continue our mission to transform lives through the power of a wish.

In appreciation of your donation, your business will be prominently recognized on our auction platform, in event materials, and during the Wish Ball itself. This is a wonderful opportunity to align your brand with a cause that creates lasting joy for children and their families.

Please complete the enclosed donation form and return it by March 17, 2025. For additional information or to arrange for the collection of your donation, please contact me at 914-478-0327 or csharrock@hudson.wish.org.

Thank you for considering this opportunity to partner with Make-A-Wish Hudson Valley. Together, we can bring hope to the children in our community—one wish at a time.

With heartfelt gratitude,

Clare Sharrock
