ATLANTA YOUNG PROFESSIONALS BOARD

"I originally joined the YP board because I love the mission of Make-A-Wish and the passion of those impacted by it. The YP board allows me to help make a positive impact in my community, while also having fun and making lifelong friends, for which I am grateful. For Wishes!"
-Sam Sperduto, Vice Chair

"Being on the YP Board has been enriching both personally and professionally. I joined to contribute to our community, and through granting wishes and connecting with wish kids at our events, I've witnessed the profound impact we have. Additionally, the board has expanded my professional network, fostering opportunities for mutual support and growth among like-minded peers. The opportunities to innovate, lead, and connect with our community through this board have been invaluable, and I'm proud to be part of an organization that truly drives impactful initiatives forward."
-Harshal Choksi, Development Committee Leader
