

wishmakers **wanted**

Join Us This World Wish Month

The month of **April** is a global celebration of the Make-A-Wish mission of granting life-changing wishes for children with critical illnesses. There are so many ways that your business can help us provide hope, joy, and strength to local children in need of support.

We can't wait to welcome you and your staff into our community of **WishMakers**.

OPPORTUNITIES FOR SUPPORT

Hold a Round-Up Campaign

Give your customers the chance to give back by offering the option to round purchases up to a specified amount. It's a simple way to turn everyday transactions into opportunities for positive change and inspire others to get involved as well. Every bit helps and together, you and your customers can make a real difference in the lives of local children.

Sponsor a Wish

Your financial support can help us grant a wish that can leave a lasting and meaningful impact on the life of a child who has been through so much. Sponsorship can be through a monetary donation or in-kind support. Your contribution brings hope and joy to children with critical illnesses. We'd love to connect to share more about the inspiring possibilities.

Sell Paper Stars

We'll provide the stars, you create the galaxy! Give your patrons the chance to make a donation of any amount and have them write their name or a message of encouragement or positivity on a paper star. Stars can be displayed in your business location to be a visual representation of your support of our organization and serve as a daily reminder of the difference we can make together for those in need.

Stay in Touch!

There are so many creative ways to support our mission, and we can help customize the way that's right for your company. Please reach out to discuss opportunities to get your staff involved in changing the lives of wish kids.
