MASSACHUSETTS AND RHODE ISLAND

HEROES FOR HOPE

Make-A-Wish Massachusetts and Rhode Island is partnering with local first responders to raise funds to support our mission of granting life-changing wishes for children with critical illnesses. As an everyday hero through your work as a first responder, we'd like to invite you to be a Hero For Hope for our wish kids this World Wish Month. Your support will help us deliver the incredible hope and joy of a wish granted.

Upon signing up, your department can set a fundraising goal, and we'll create your Wish Your Way fundraising page and provide resources. You can share the link with your department or get creative—make it a competition between teams or offer an incentive for those who donate.

The average cost of a wish is \$12,500. Your support means so much to our wish families to know they have an entire community behind them, giving their children the strength they need to face the medical challenges in their lives.
