## Make-A-Wish® Massachusetts and Rhode Island

### Our Mission and Vision

Make-A-Wish Massachusetts and Rhode Island creates life-changing wishes for children with critical illnesses. We are dedicated to making every eligible child's wish come true.

### A History of Joy

A little girl named Colleen wrote the first chapter in the organization's storied history. Her wish to visit York Beach was an uplifting respite from her struggle with Niemann-Pick disease — and represented the very first wish fulfilled by Make-A-Wish Massachusetts and Rhode Island.

In our 41-year history, we have granted wishes for over 10,500 children in our two-state territory

### Our Future

According to information from the Centers for Disease Control and Prevention, more than 500 children in our territory are diagnosed with life-threatening medical conditions each year. As a Make-A-Wish Massachusetts and Rhode Island supporter, you can help ensure that each and every one of these children experiences the joy and hope that comes from having a wish fulfilled.
