About Kids For Wish Kids®

Kids For Wish Kids is a custom-tailored fundraising program that provides local schools and youth organizations the opportunity to engage in philanthropy and service activities to help grant the wishes of Arizona children with critical illnesses. Kids For Wish Kids encourages community service, leadership, volunteerism, and teamwork. It helps build school spirit and creates partnerships outside of the classroom while providing a hands-on experience for students to help raise funds to grant Arizona wishes.

Brand Alignment & Impact

Supporting Kids For Wish Kids will not only impact the lives of the local children we serve, but it will also strategically align your company with one of the country's top charitable brands. Kids For Wish Kids is a powerful way for your company to publicly demonstrate your commitment to your employees, their families and the community. We proudly work with 100,000+ students across over 50 schools statewide.
