Make-A-Wish®

TEXAS GULF COAST AND LOUISIANA

Together, we create life-changing wishes for children with critical illnesses. Since our inception in 1984, Make-A-Wish Texas Gulf Coast and Louisiana has provided transformational wishes to nearly 12,000 children.

Wishes are not just a single moment in time, but a transformative experience created specifically for each wish child. Your support will share the power of a wish with local children battling critical illnesses.

In just over three years, Builders of Hope has helped grant 26 wishes for playhouses, treehouses, customized playsets, restroom makeovers and more!

Builders of Hope *Committee*

During the pandemic, the chapter saw a 355% rise in wishes for home-based experiences like playsets and room makeovers. In response, Make-A-Wish launched a construction and design industry initiative to bring together leaders and companies to provide expertise/knowledge, resources and monetary and in-kind support to fulfill our mission.

The Builders of Hope Committee has completed over 26 wishes and contributed more than \$700,000 in impact in just three years. This is only the beginning. Make-A-Wish has a goal to continue to grow Builders of Hope until we can make our vision a reality and grant the wish of every eligible child.
