300 Clubhouse Drive Milton, GA
30004

Why Wishes Matter

For almost 30 years, Make-A-Wish Georgia has brought transformational wishes to over 8,000 children and families. But we're not done yet. Last year we granted 500 wishes to Georgia children. That is over 2,000 family members impacted! It's been a challenging journey; one that wouldn't have been possible without your support. Because of you, wish kids and their families experienced the joy of a wish right when they needed it the most.

Our work is far from done. Today, we have 700 Georgia kids waiting for a wish. We hope we can count on you to join us in making sure that these children, and the children who are yet to be referred have a life-changing wish too.
