What is the Constellation Society?

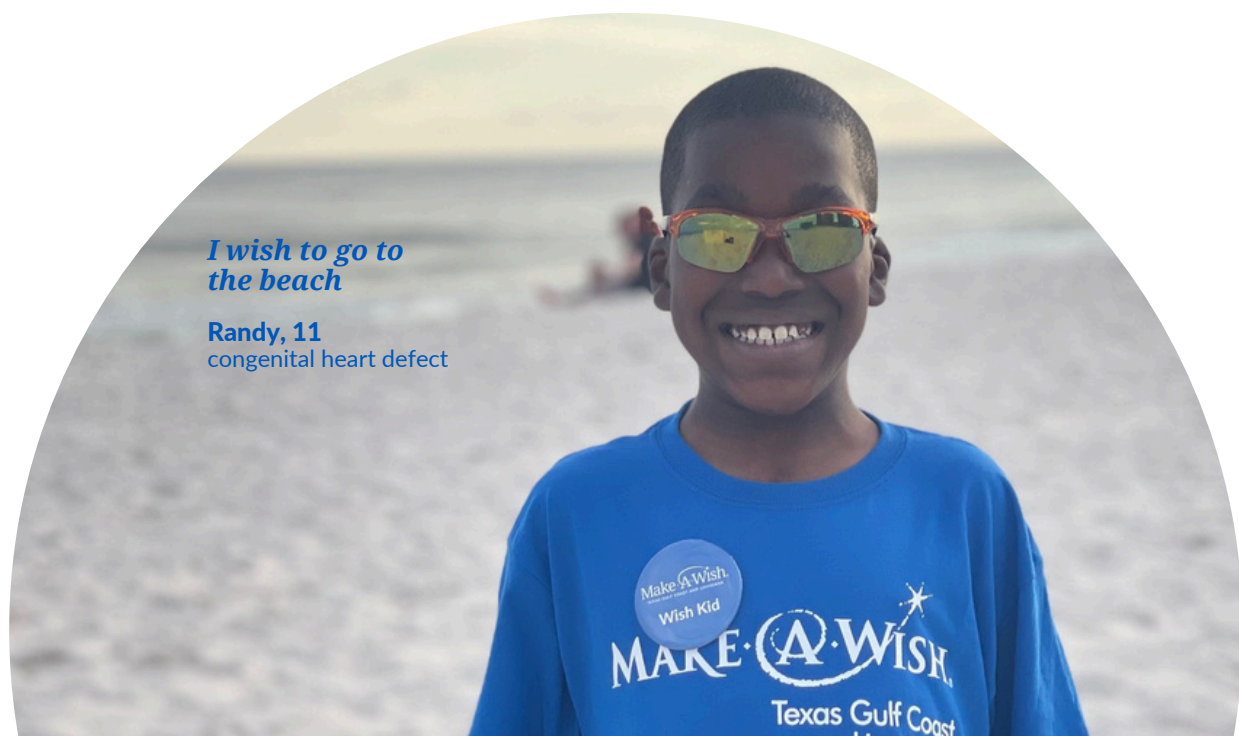

**TOGETHER, WE CREATE LIFE-CHANGING WISHES
FOR CHILDREN WITH CRITICAL ILLNESSES**

Constellation Society members are philanthropic partners forming the vital foundation we need to fulfill our mission of granting life-changing wishes. By committing to an annual gift of \$5,000 or more, members are providing the critical resources to grant wishes now and helping us innovate to meet the growing number of wish requests.

Constellation Society members are invited to attend private social events and enjoy other benefits throughout the year that are exclusive, engaging, and fun. Members learn more about our organization and engage deeper with our mission to experience the power of a wish up close. It is our way of letting you know how much we appreciate your generosity and the hope you give to so many children battling critical illnesses in our region.

..... CONSTELLATION SOCIETY MEMBER SPOTLIGHT

"Children with critical illnesses go through very dark times; times of uncertainty, times when their hopes and dreams are all put on hold. These children and their families need to know that someone is going to walk hand-in-hand with them, and Make-A-Wish does that. A wish isn't just about making a child feel good for a day. There is science now to show that when we display compassion it makes a huge difference to children's medical outcomes. If we give them hope, it is as important as any medicine or surgery a doctor can give. Make-A-Wish is one bright light on the horizon for these children and their families."

--Dr. Daniel Penny, Chief of Pediatric Cardiology, Texas Children's Hospital, Make-A-Wish Board Member and Constellation Society Member
