HOPE IS *Essential*

Together, we create life-changing wishes for children with critical illnesses. Since our inception in 1984, Make-A-Wish Texas Gulf Coast and Louisiana has provided transformational wishes to nearly 12,000 children. Through the support of our corporate partners, donors, and volunteers, we are able to propel our mission and bring even more wishes to life. At Make-A-Wish, corporate funding and community engagements are essential components of our work.

This year, our corporate partners have helped us grant wishes for puppies, golf carts, backyard playsets, trips to Disney World and even a Quinceañera. We believe a wish isn't just a single moment in time, but a transformative experience created specifically for each wish child. Your support will help share the power of a wish with local children battling critical illnesses.

I WISH TO HAVE

I WISH TO GIVE

"A wish isn't just about making a child feel good for a day. There is science now to show that when we display compassion it makes a huge difference to children's medical outcomes.

If we give them hope, it is as important as any medicine or surgery a doctor can give.

Make-A-Wish is one bright light on the horizon for these children and their families."

Dr. Daniel Penny,
Chief of Pediatric Cardiology,
Texas Children's Hospital,
Make-A-Wish Board Member and Donor

"I need to thank you and your entire team. Believe me when I say, we got so much more out of this than we ever could have put into it. It's such a privilege to participate in these wishes."

"We received a message from the wish kid's mom last night after the reveal, her message may have made my entire year. I hope you know whenever you need us, we will come running!"
