# A CHILD'S IMAGINATION HAS NO LIMITS

NEITHER SHOULD THEIR WISH

Make-A-Wish®  
SOUTH CAROLINA

## WISH *Night*

MARCH 13-14, 2026

WILD DUNES RESORT, ISLE OF PALMS, SC

Each year, hundreds of children in South Carolina are diagnosed with critical illnesses. While their medical journeys often include uncertainty and fear, the wish journey brings something radically different: the freedom to imagine. A wish encourages children to dream beyond their diagnosis—and in that dreaming, they find hope, strength, and joy.

Right now, more than 350 children across South Carolina are waiting for a wish. In 2025, we will grant a record 256 life-changing wishes, but for every child we reach, another is still waiting.

*With your support, we can change that.*

# WHY CHOOSE WISH NIGHT?

Wish Night is more than a charity gala. It's a celebration of the power of hope and community. It's a night that helps fund transformational experiences for children—experiences that remind them what it feels like to just be a kid again.

## ANNALEIGH'S WISH TO BE RAPUNZEL

When 5-year-old AnnaLeigh imagined her wish, she didn't just want to meet a princess—she wanted to become one. After a long journey battling a critical illness, she dreamed of stepping into Rapunzel's shoes—tower and all. Her wish was more than a dress-up day: it was a joyful escape, a reminder of her inner strength, and a celebration of everything she had overcome. Surrounded by laughter, music, and a full royal court, AnnaLeigh's day was pure imagination brought to life and a powerful turning point for her and her family.

## THE IMPACT OF A WISH

Approximately **350** children in South Carolina diagnosed with a critical illness are currently medically qualified and waiting on their wish to be granted.

In fiscal year 2025, we will grant wishes for **256** children in South Carolina, but for each wish granted, another child is waiting.

The average cost of a wish in South Carolina is **\$7,500**. Our mission relies on the support of donors, such as sponsors of Wish Night.

9 out of 10 medical providers observed that the wish experience had a **positive impact** on a child's physical well-being and overall quality of life.

## WHAT IS THE PRE-SHOW LIVESTREAM?

Before the Wish Night program begins, we **roll out the blue carpet** for a can't-miss experience: the Pre-show Livestream! Filmed live during the Cocktail Reception, this red carpet-style broadcast captures the energy, emotion, and excitement of the evening as guests arrive.

Hosted by a professional emcee, the Pre-Show features live interviews with wish kid ambassadors, Make-A-Wish South Carolina leadership, board members, volunteers, and select sponsors.

The livestream will be broadcast across MAWSC's social channels and website, reaching an audience of 20,000+ social followers, with the Presenting Sponsor and Livestream Sponsor having the added option to embed the stream on their own digital platforms.

Sponsors at select levels will have the opportunity to be interviewed live during the broadcast, and all interviews will be professionally recorded and shared post-event for use in social media, internal communications, or community storytelling.

## WHAT IS A WISH CELEBRATION?

A wish celebration, sometimes called a send-off party or a wish reveal, is a way volunteers, donors or staff celebrate an upcoming wish with a wish kid. Wish kids learn exactly when their wish is coming true and receive any necessary details they need. Sometimes, a celebration is held as a homecoming party when the child returns from their wish.

WISH  
GRANTED!

## WHY ARE WISH CELEBRATIONS IMPORTANT?

Celebrations build excitement and anticipation for their life-changing experience or help emphasize that their wish wasn't just a moment in time - it's an experience that will last for years to come or a lifetime. Celebrations are also an opportunity for the community to come together. Wishes are not possible without community support. At a celebration, supporters can rejoice in the special experience together with the wish family.
